Community Foundation Capacity Building Grant Program End-of-Year Report

The Capacity Building Grants Program supports opportunities for qualified community foundations and their affiliates to engage in activities that increase their ability for sustainable endowment building and endowed fund growth. Capacity building grants provide community foundations with support to implement projects or programs necessary to enhance their organizational capacity and address important issues of fund development and effectiveness.

Reporting Procedure:

Please answer the following questions:

1. Please describe the project that was funded. (100 words or less)
2. What were the successes and accomplishments of the project? Please include any output measures that were defined in your initial grant application. (200 words or less)
3. What are the challenges or lessons your organization has learned from this project and what, if any, changes would you make to a similar project in the future? (200 words or less)
4. Please provide a budget detail noting how the Capacity Building Grant funds were expended.
5. Did you develop any tools or resources that may be helpful to the broader Iowa Community Foundations Initiative network?

End-of-Year Grant Reports may be submitted via email to Michele Walstrom, Community Foundations Services Coordinator, mwalstrom@iowacounciloffoundations.org. Questions regarding the report may also be directed to Michele.
