## Spring Capacity Building Grants Open

Capacity Building grants are available to qualified community foundations and their affiliates each year in Spring and Fall cycles. These grants support activities which increase a foundation's ability for sustainable endowment growth/building. The timeline for the spring cycle is:

- Pre-applications available [on the ICoF website](#) **February 1**
- Pre-applications reviewed on a rolling basis through **5 pm on March 1**
- Final applications are due by **5 pm on April 1**
- Grant applicants will be notified of grant decisions by **May 1**

## Legislative Update

Two updates related to our state-legislated programs:

- Representative Kaufmann introduced HSB 614 that would direct sports wagering receipt dollars to the County Endowment Fund Program. It is still unclear what the sports wagering receipt will be in a typical year. The bill unanimously passed out of the House State Government Committee on February 3 and has been introduced as [HF2286](#).

- Please contact your local House Representatives and encourage them to support this bill. You can use this [CEFP Fact Sheet](#), the [Legislative Talking Points](#) and [this year's CEFP Report](#) to support your conversations.
- The Senate released their tax bill, which includes a change to the maximum amount of Endow Iowa tax credits that are available to an individual taxpayer from 5 percent of the authorized credits (currently \$300,000 per taxpayer) to \$100,000 per taxpayer. This is one part of the Endow Iowa ask this year, which is outlined in this [Fact Sheet](#).

We will continue to monitor both of these items and appreciate your engagement on the first item.

## County Endowment Fund Program Annual Report

The County Endowment Fund Program Annual Report will be distributed to State Legislators and the Governor's Office soon. This report serves as an annual accounting of how the CEFP funds were distributed throughout the state and granted to local communities. Thank you to all staff and volunteers who completed their reports with the data from their county community foundation. You can [view the 2020-2021 annual report here](#).

Again this year, we encourage community foundations to share a local grant impact story when you distribute your copies of the CEFP Report. We have developed this [one-page template](#) to make it easier for you to share how this program has made a positive impact in your county.

Each community foundation will receive printed copies of the report for distribution. If you have questions regarding the report or template, or would like additional copies of the report, please [contact us](#).
